

ORDER OF THE FEZ

Chorus: Order of the Fez are we, headgear noble and true. We all wear a fez with pride, no other hat will do.

Verse 1: We wear it when we're happy, it is worn when we feel blue. We put it on in times of strife to think a problem through. (Chorus)

Verse 2: We wear it when we're sleeping, it's there when we're awake. It's not a fashion statement - it's a FEZ for goodness sake! (Chorus)

Verse 3: Please don't talk of Trilbys, a bowler or top hat. A man without a fez is like a chop without its fat! (Rousing, even louder chorus)
